Request for Transfer of Previously-Filed Identical Computer Readable Form

The paper copy of the Sequence Listing in this application is identical to the computer readable copy of the Sequence Listing filed in application Serial No. 60/434242 filed December 18, 2002. In accordance with 37 CFR 1.821(e), please use the last-filed computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the instant application. A paper copy of the Sequence Listing is included in the originally-filed specification of the instant application.

Respectfully submitted,

A handwritten signature in cursive script that reads "Pamela C. Ball". The signature is written in dark ink and is positioned above the printed name.
